

Further Fundraising Methods

Accessing your Donor Data

Seattle Parks Foundation makes your group's donor data available through Dropbox. At the beginning of your partnership with us, you will receive an email invite to you Dropbox. You can view your data directly in Dropbox or you can download if you want to do any analysis. You will need to create a Dropbox account to access. Accounts are free. Donor data is updated on a weekly basis.

Workplace Giving

If a donor intends to give through their workplace, they will need to set it up on their end. They will need to provide our tax ID # 91-1998597 and instruct the gift go to your project. It is also helpful if you notify us of the donor and the company they work for, just in case that information doesn't come with the gift.

If you have any regular donors or volunteers that work at these companies (and more), this could be a great giving opportunity. Go to this website to see if an employer provides matching gifts: <http://www.nwaccessfund.org/employee-matching/>

Employee Matching Gifts

Employee Matching Gifts are donations an employer makes to match its employees' charitable contributions. Employee matching gifts are often ½ to one, or dollar-for-dollar, but some companies will give double or even triple the original donation.

Volunteer Hours Matching

Some employers provide matching gifts for volunteer hours that donors provide to your project. The same directions apply as above for your donor. Please make sure the donor supplies your project name so that these matches are applied to your project.

Examples of some matching corporations:

- Microsoft
- Google
- Boeing
- Alaska Airlines
- Bill & Melinda Gates Foundation
- Tableau
- Expedia

Donate Your Car

Do your donors have an old car taking up space in your driveway? They can donate it! We accept most cars, trucks, trailers, boats, RVs, motorcycles, off road vehicles, heavy equipment, and most other motorized vehicles. Your donation will be 100% tax deductible. To get started, you can direct your donor to complete an online donation form at: <https://www.seattleparksfoundation.org/give-a-car/>

Or, call 855-500-7433 or 855-500-RIDE to speak to a representative. You can read more on careasy.org.
