Thank You

This is a list of current donors as of April 1, 2022. Thank you for your generosity and support as we continue to serve people powered parks and public spaces.

Our donor list is categorized by your contribution of time, talent, or treasure to Seattle Parks Foundation, each of which make our work possible. To find your name, please search within the categories in the Table of Contents on the right panel. If you are an individual donor, please search by the number of years you have contributed to SPF. All lists are alphabetized by last name.

As we grow to support over 90 community partners, your dedication enables our mission to partner with community to champion thriving and equitable parks and public spaces. Thank you.
