Great, thanks for the information. We cut checks once a week here so this will go out next week. But you can count on it. Thanks much.  
Walter

Hi Jake and Walter,

Attached is our W9, and yes, the check should be made out to Seattle Parks Foundation (address is below) or an online payment can be made per Jake's link he shared below.

If paid by check, please include the reference number of 0950101 or River City Skate Park.

Thank you,  
Shava

Hey Walter, I'm copying Shava Lawson from Seattle Parks Foundation (our fiscal sponsor).

Shava- can you send Walter Reese from Nucor a W-9 for SPF? And should Nucor's check be made out to Seattle Parks Foundation with a note to allocate it for the skatepark?

Thank you both!

Thank you! That'll make a huge difference for our group.

If you haven't sent the check yet, you can also donate online at [this website](#) from Seattle Parks Foundation.

It looks like the opening celebration is going to be happening on Sunday Aug 22. We'll send out more details shortly.

Jake,  
Good to hear you got the rebar to the site safely. As a follow on, Nucor will contribute an additional \$5,000 to your project. I'll get a check out to you next week. Hope this helps. Take care.  
Walter

Hey Walter,

The rebar was picked up yesterday and made it safely to the skatepark. Thanks so much for your donation.

Have you figured out the amount of financial contribution Nucor can provide? We're currently making decisions about the benches, bike racks, and other amenities we'd like to add, so it would be helpful to know how much is available. Thanks

Jake,  
Please coordinate the pickup of the rebar with Heather Adkins in our Sales Department. Heather is copied on this email. Also, Nucor will be able to make an additional cash contribution to the project. I'll email you separately on that amount in the next few days. Thanks much.

Walter

Good morning,

Construction is underway at the skatepark and I wanted to reconnect with you. We found a truck to transport rebar. My guess is that we'll need to pick it up late next week.

I'll know timing for sure by Monday and will message you then. Who should I coordinate with for pickup?

Thanks!

Hi Walter, circling back to give you an update on fundraising. We still haven't heard back about our large requests and our window to raise money before construction is shrinking quickly.

Our group is asking community for donations, but realistically not expecting a large amount to come from them.

Hey Walter,

A couple members of my project team would be excited to join us for a conversation if you're free Wed 4/5 at 11:30. If that time won't work, I'm available from 11:00-4:00 tomorrow.

Please let me know the best phone number to reach you or I'd be happy to set up a Zoom or Teams meeting instead. Thanks and I'm looking forward to connecting.

**Subject:** Nucor Support for River City SkatePark in South Park

**This message came from outside of Nucor.**

Hey Walter and Matt,

I'm working with a group of South Park neighbors and the local skateboarding community to make upgrades to River City SkatePark at 736 S. Cloverdale St. This legendary skatepark draws expert skateboarders from around the world, but doesn't serve the surrounding community as well as it should, so we're adding features that will make the park more inviting and accessible for beginning skaters and the non-skating folks in South Park.

Our main goal for 2021 is to build a "skate plaza" which will be used for skateboarding lessons, art/music events, pop up markets, etc. We've been building a list of local businesses that may be willing to support our project with a donation of cash and/or materials and several people suggested that we connect with Nucor. I happen to know one of your employees, Joe Ekness, who said that you two were the people to start with.

**Would you (or others at Nucor) be up for a conversation about a Nucor/River City SkatePark partnership sometime in the next 2 weeks?**

I'm attaching our March project update which has background information. Other project partners include:

- [Grindline Skateparks](#)
- [Skate Like a Girl](#)
- [DIRT Corps](#)
- Seattle Parks Foundation
- Lafarge
- Stoneway Concrete
- City of Seattle Dept. of Neighborhoods
- Duwamish Valley Youth Corps

Thanks for your time and consideration! Please let me know if you have any questions about this project.
