Donor List | October 2022

# Thank You

This is a list of current donors as of September 1, 2022. Thank you for your generosity and support as we continue to serve people powered parks and public spaces.

Our donor list is categorized by your contribution of time, talent, or treasure to Seattle Parks Foundation, each of which makes our work possible. To find your name, please search within the categories in the Table of Contents on the right panel. If you are an individual donor, please search by the number of years you have contributed to SPF. If you are an active recurring donor, giving directly or through workplace giving, please look for your name in Monthly Donors. All lists are alphabetized by last name.

As we grow to support over 100 community partners, your dedication enables our mission to partner with community to champion thriving and equitable parks and public spaces. Thank you.
